

We are pleased and excited to inform you of an opportunity for our students!

The School's Out Surf Camp, delivered in partnership between St Ives Bay Adventure Group and Spot-M Morocco, is a bespoke week long surf trip for UK based schools and colleges.

Located in the small yet bustling village of Mirleft in South Morocco, the trip gives students the opportunity to learn, or progress, at surfing, enjoy some African sunshine, traditional Moroccan cuisine, fantastic accommodation, enlightening workshops, all the while engaging in the amazing Berber culture within the town and surrounding area.

Key Trip Information

Location: Mirleft, Morocco. About 2 hours south of the city Agadir.

Duration: 8 days / 7 nights from 29th October - 5th November

Flights: Flying with EasyJet to Agadir from either Gatwick or Bristol, flights are 3.5 hours and are generally early on either a Tuesday, Wednesday, or Thursday, with afternoon return flights on the same day a week later. Traditionally weekend flights are too expensive for the trip to run, however we are open to these if necessary.

Surfing: The majority of surfing takes place at Plage Sauvage, where Spot-M have a great exclusive beachside premises offering all the amenities. There is a beach break and point on location. In the event we have intermediate to advanced surfers, then we can go mobile in search of better surf should Plage Sauvage be too small or too big.

Accommodation: Exclusive Villas are used to house students, with roughly 4-5 rooms per Villa and anywhere between 2-4 students per room, and a room for supervising staff.

Food: All food for the trip is locally sourced and prepared by a small group of fantastic chefs, and includes traditional tagines, couscous, kebabs, and BBQ. Most allergies can be catered for.

VISA and vaccinations: Neither a VISA or vaccinations are required to enter Morocco.

Other activities: Artistic workshops, sand boarding, half day trip to Tiznit (jewellery capital of Morocco), experiencing an amazing sunset atop the 500-year-old French fort that sits above Mirleft, journey to the arch of Legzhira beach, group evening meal out in the town, and a final evening traditional Berber dance and buffet.

Assurances and Travel Insurance: From 2025 Schools Out will be a member of the Protected Travel Services which offers ATOL protection along with other travel benefits and financial assurances for customers. Furthermore, Schools Out will include group travel insurance under one umbrella policy for all those who take part on the trip.

Participants required: For the trip to run we need a minimum of 10 students, and a maximum of 15 students.

Cost per person: £1195.00 (initial £300 non-refundable deposit required to secure flights unless trip is cancelled by organiser in which case money is refunded). Please refer to terms and conditions. As we are travelling to and from Bristol by school minibus there will be an additional charge of no more than £50, this £50 includes fuel, parking and administration charges.

Extra costs: Should any student wish to take their own surfboard that is 6'8 or less, then we can pack these securely and safely in our surfboard coffin bags at a charge of £40 per surfboard. Only other extra cost is £40 cash per student as spending money whilst in Morocco (as Moroccan Dirhams are a closed currency, we change this up upon arrival in Agadir).

Please complete the details below if you wish to confirm a booking for your child.
