

If you were unable to attend, is there anything that we could have done to make it more accessible?

The PowerPoints could be shared with parents

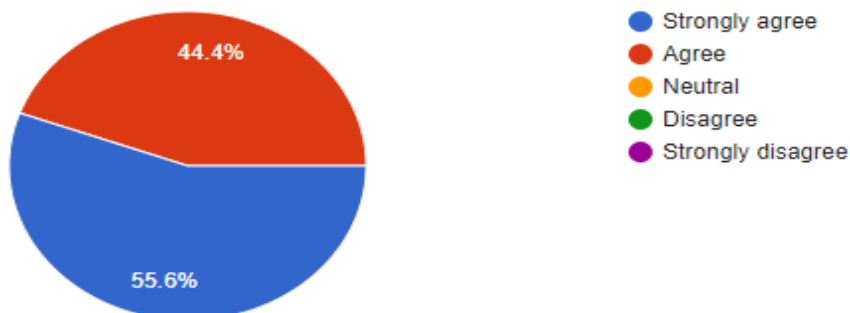

The Family Learning evening was informative

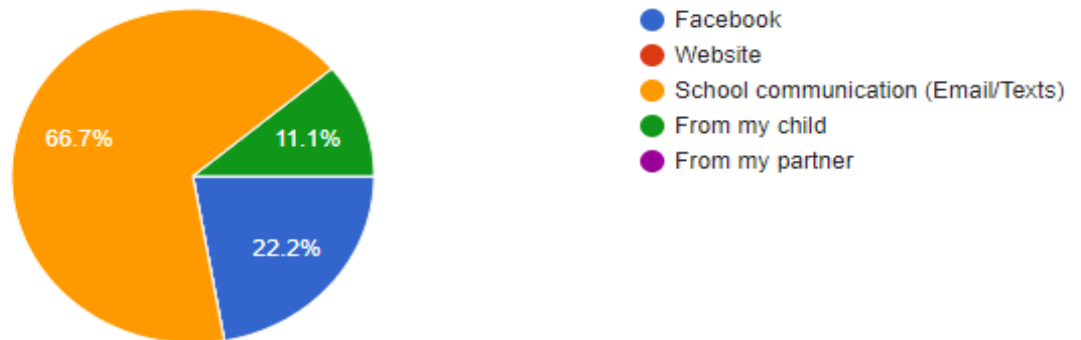

The amount of information given on the evening was

I would recommend this evening to other students and parents/carers

I heard about this event through

What other information may be useful?

All other N/A

Some examples were:

- More detailed information to take away for each subject.
- Would be nice to catch up with pupils' form tutors.
- Prefer emailed information but it was useful to hear from subject teachers.
- The potential length of the session
- Maybe some example papers to see what a good grade looks like
